Padel Booking Platform

Client App • Admin Panel

Manage your padel court bookings with ease.

What Is It ?

A complete padel court booking platform (mobile app + admin dashboard), built for court owners who want to streamline reservations, manage operations easily, and offer a modern booking experience to their players.

We brand it for your business (your logo, your colors, your app).

Here's what's included:

A **customer app** that lets players check court availability, view booking history, reserve sessions.

A powerful **admin dashboard** to manage courts, bookings, and users

Perfect for :

- Independent padel court owners
- Sports complexes with multiple courts
- Hotel or resort courts
- Gyms & sports clubs
- Franchises or court management companies

Padely

POWERED BY **SOFTWAREZZ**

What's Included?

Admin Panel:
Made for court owners to manage everything in one place, from one court to many. Easily control availability, track bookings, set prices, send notifications, and stay connected with players, all in a few clicks.

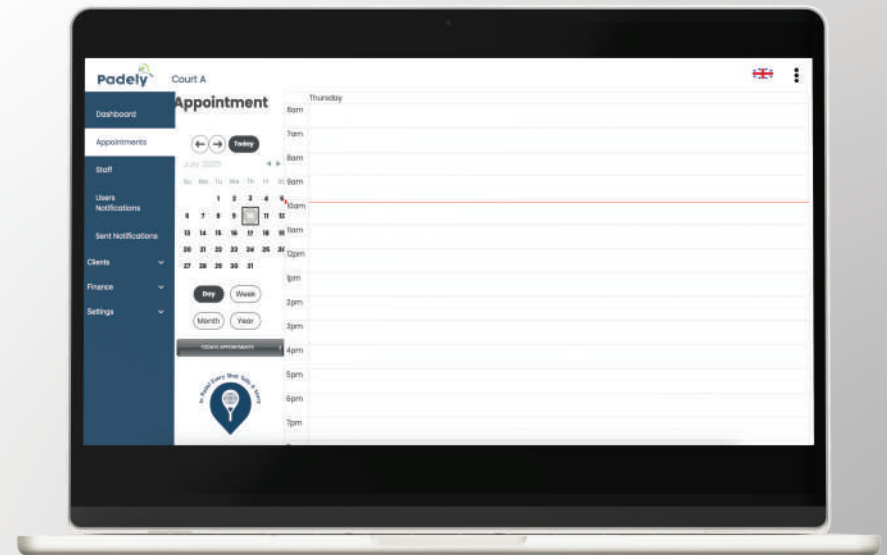

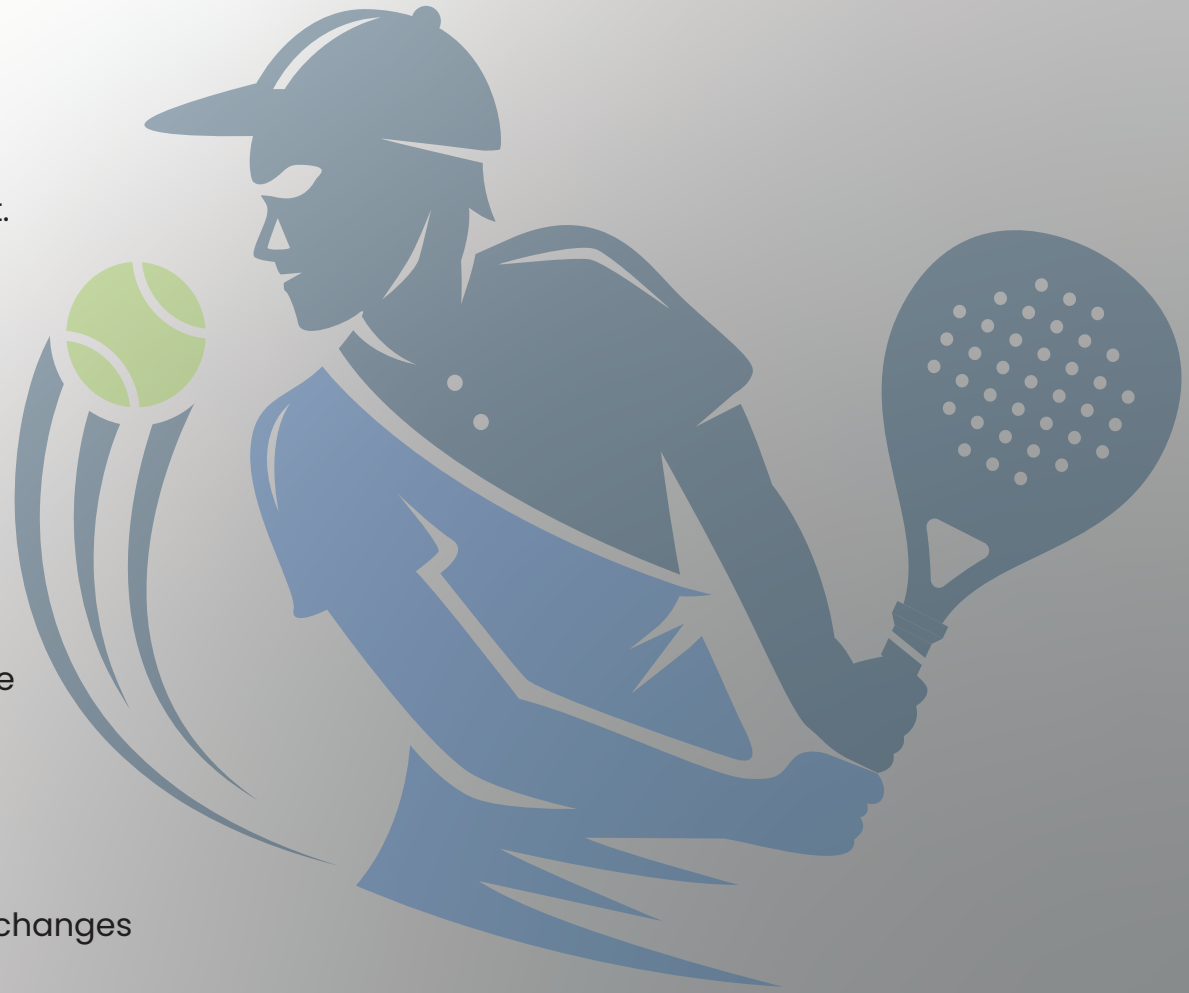

Client App:
Players can easily check court availability, book in seconds, invite friends, get reminders, and the ability to pay online, all in one simple app.

🔑 Key Features:

✅ For Admin

- View, cancel, or reschedule bookings easily.
- Track income, court usage, and user activity.
- Set working hours, prices, and holidays for each court.
- Send instant updates or promotions to users.
- Access player profiles and booking history.
- Add team members with limited access.

✅ For Users

- Check all court notifications and updates in one place
- Browse available courts with photos and details
- View court locations and directions on the map
- See available time slots and book instantly
- Stay updated with real-time reminders and booking changes

🔑 Key Features for Your Customers:
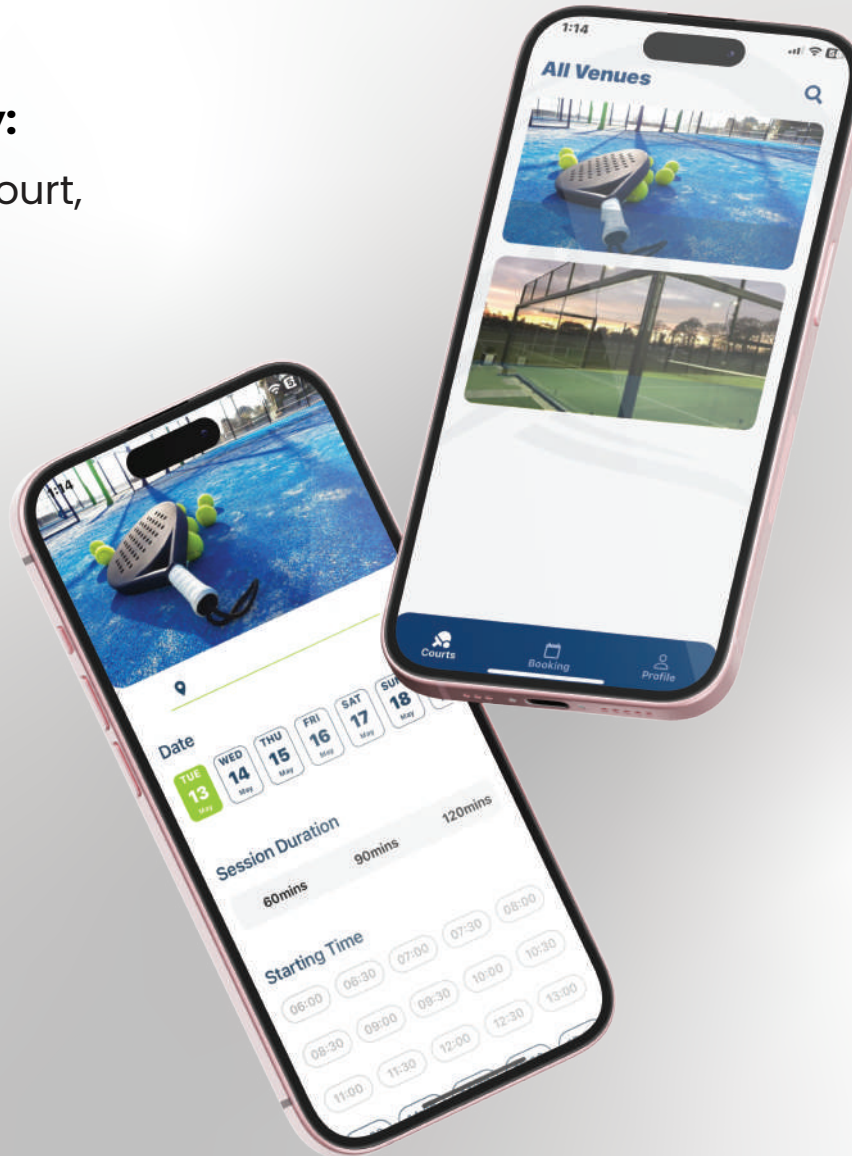

- **Live Court Availability:**
Book by day, time, and court, no phone calls needed.

- **Smart Notifications:**
Help customers find products or categories quickly and easily.

- **Court Gallery:**
See court photos and facilities before booking.

- **Booking History:**
Your full padel booking record, easy to check

- **Chat Support:**
Reach out via email through the app.

- **Location:**
Check court locations directly in the app.

Admin Dashboard:

- **Bookings Control:**
View, manage, cancel, or reschedule bookings.

- **Reports & Insights:**
Track income, court usage, and customer activity.

- **Court Scheduling:**
Define working hours, pricing, and holidays per court.
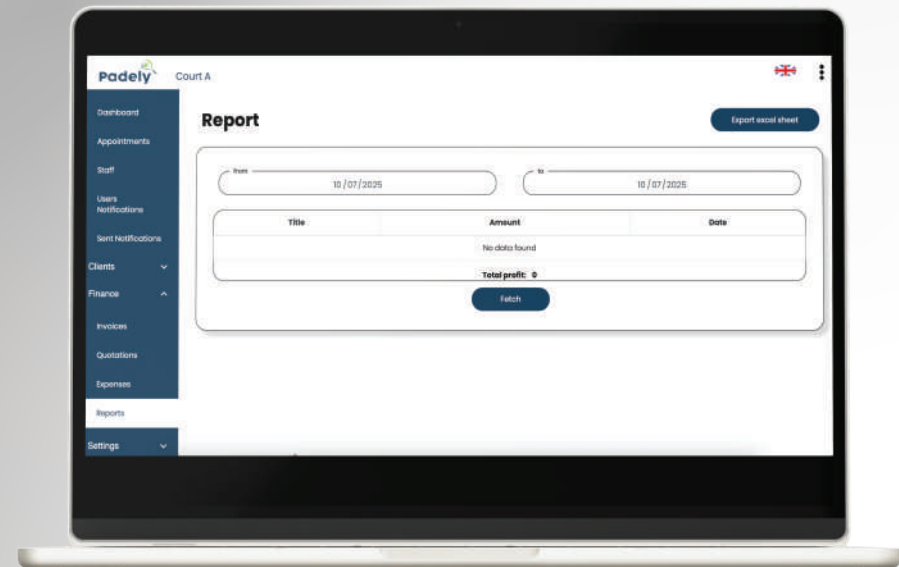

- **Promotions & Announcements:**
Send updates to users instantly.

- **User Management:**
View user profiles, booking history, and contact info.

- **Staff Roles:**
Add managers or staff with limited access.

🔑 Business Value:

✅ **Reduce manual work:** Eliminate phone calls, spreadsheets, and last-minute confusion

✅ **Maximize revenue:** Fill empty slots with smart scheduling and offers

✅ **Offer a professional experience:** Branded app increases trust and loyalty

✅ **Build your community:** Events, tournaments, and player groups increase engagement

✅ **Track performance:** Make data-based decisions to grow your business

Why Choose Us?

We don't just build apps, we build the tools you need to grow your padel business.

- **We understand padel:** This app was designed with court owners like you.
- **Fully customizable:** We tailor features and branding to match your identity.
- **Fast delivery:** Launch your branded app in under 10 days.
- **Ongoing support:** Training, updates, and reliable customer service included.
- **Ready to grow:** Whether you manage 1 court or 100, the app scales with you.

You run the courts.
We'll run the system behind them.
